SUPERIOR COURT  
HAD SHORT SESSION

Business for Tuesday Went Off the List or Was Settled—Two Jurors Excused.

Tuesday morning the November term of the superior court opened here with Judge Reed and a jury in attendance. The first case on the list was that of Dennis Garvey, admn., vs. the city of Norwich, which it was announced was settled after a conference of the lawyers.

It was a suit for \$5,000 because Maurice F. Garvey died April 27, 1910, from typhoid fever, it being claimed that the disease was contracted from a dump near his house on Talman street. There was also settled the suit of Mary Garvey vs. the city of Norwich, a suit for the illness of the plaintiff for the same cause.

The cases of Allen vs. city of New London, consolidated with the case of Staphins vs. city of New London went off the list.

The jurors summoned included the following, 32 in all: George O. Stead, Thomas H. Peabody, Richard T. Bushnell, Martin Burns, Norwiche, Charles E. Lums, Everett P. Barnes, William E. Cray, Preston, Harry Eliot, George Kramer, Colchester; John E. Green, Arvin, Dawley, Austin A. Maine, Griswold; George H. Hoxie, Charles H. Strong, Norwich; F. R. Partee, North Stonington; Albert Bailey, Bethany; Fred W. Hoxie, Franklin; Henry Gorman, Frederick Papenhus, Sprague; F. Augustus Reed, Liscoot; Albert Fargo, Salem; Albert G. Brown, Voluntown.

Martin Burns was excused for the term, and Charles E. Lums for two weeks.

Today the cases of Potter & Co. vs. McAdams, Jewett vs. Moran et al., and Bowers vs. Kline and wife are assigned for trial.

## Banking System For Local Schools

Advocated by Principals' Club, and Thames Loan & Trust Company Will Accept the Deposits—Will be Urged Upon School Boards—Cultivates Thrift and Knowledge of Spending.

For some time there has been under consideration by the Principals' club a plan for a school banking system. Last June a committee was appointed, consisting of Messrs. Working and W. D. Tilsol, to look into the matter and report.

Tuesday afternoon at the Broadway school, the club held a well attended meeting and the chief business of the session outside the routine matters, was the school banking system. The report on this interesting subject was made by F. J. Working, principal of the Wagonmoe school, who went into the matter in detail.

In making the report of the investigation, Mr. Working said: "The fact that many a child foolishly expends in small sums that which, if carefully saved, would purchase for value, would seem to indicate that some steps ought to be taken to teach thrift. This may be done by a school banking system operated in connection with some local bank. Such systems have resulted in the saving of thousands of dollars by the children of many cities in this country. In one of the Hartford schools, the Henry Barnard, \$17,000 has been placed on deposit in the past five years. In the city of Minneapolis, \$45,000 was deposited last year.

It is not altogether the idea of saving that needs cultivating, the teaching of the proper expenditure is quite as important. Children should be encouraged to save for the specific thing they want, for the baseball, the football, sleds, skates, canoes, books, presents for others, etc. It need not be added that to resist the purchasing of things of fleeting value and to plan for things of worth, tends to the building of such character as it is desired that every child develop.

The Thames Loan & Trust Co. stands ready to co-operate with the schools to promote this project. It is planned to have a representative of the bank receive the deposits on certain stated days. Each child will have a card upon which his deposits will be entered, which he will keep in an envelope provided for that purpose.

Upon the day assigned the children wishing to make deposits will make out deposit slips and place them together with their deposits. These will be collected by the teachers. A representative of the bank will make the entries and return them for distribution. When a child has \$1 on deposit he may secure a regular bank book, or he may with the written consent of his parent, withdraw the amount to enable him to expend it for some cherished object.

After hearing the report and a discussion thereon, it was voted to request the approval and co-operation of the school officers of the various districts of the town upon this matter at as early a date as possible.

There is a strong sentiment in its favor among the principals of the town and it is hoped to have it in operation by the first of January. It will be called directly to the attention of the school boards, and it is believed they will endorse it in sufficient number so that it will be a success.

ELECTRIC LINE TO  
NORWICH GOLF CLUB

Will Be Started by Gas and Electrical Department Today.

The work of building the new electric line to the Norwich Golf club, on West Thames street, will be commenced today, the gas and electrical department being in charge.

The line is expected to be finished in two weeks. The line will be about a mile long and it will be necessary to erect about forty poles.

It has been arranged that the poles be set in front of the Morgan property, the owners consenting to it rather than keep the people below them from having the service. They very generously consented to the erection of the necessary poles after it was found that the Connecticut company would not agree to a change of their poles at that point.

Reports of satisfying progress for the November, which the society was made and also from the committee on the anniversary festival on January 25. There is much preliminary work to be done in connection with this, and the committee is devoting much time and attention to it.

## OBITUARY.

Mrs. John W. Noble.

Mrs. Bertha Sparks Noble, wife of Joseph W. Noble, died on Sunday at her home, 10 East Main street, Mystic, after an illness from heart trouble. She was born in Preston, now a portion of Norwich, Dec. 29, 1860, and was the daughter of the late Horace and Mrs. Sparks. She had been a resident of Mystic for a number of years and her death is mourned by a wide circle of relatives and friends.

Survive her mother, her husband, one daughter, Miss Jenny Noble, and two brothers, Henry Sparks and John Sparks, both of Mystic, to whom sympathy is extended in their bereavement.

Mrs. Noble was a niece of the late Albert A. Sparks and has other relatives in this city. A number will attend the funeral today.

WOMEN TO REGISTER  
AT PRAYER MEETINGS.

Extraordinary Effort to Create Female Voters in California.

Los Angeles, Cal., Nov. 7.—To insure the registration of many women who, it is believed, will not otherwise become qualified voters before Nov. 9, the Women's Progressive league is making an extraordinary effort to create female voters in California.

Registration of women in this city is proceeding more rapidly than that of the men. Between 3,000 and 4,000 are being registered daily. It is believed that 70,000 will have been registered by the night of Nov. 9.

BEATTIE TO BE REMOVED  
TO MURDERERS' ROW TODAY

Will Be Transferred from Jail, Unless New Trial Is Granted.

Richmond, Va., Nov. 7.—Unless the state supreme court of appeals grants a new trial for Henry Clay Beattie, Jr., before tomorrow, the young man convicted of the murder of his wife will be removed from the Richmond city jail to Murderers' row in the state penitentiary. According to the law, a man convicted of a crime must be lodged in the penitentiary fifteen days before the date set for his death.

The court which has under advisement Beattie's petition for a writ of error, sits tomorrow, but may not give its decision. If it should not decide the appeal before the date set for the execution, that would act as a stay.
